

Dear Families -

Our pasta suppers are off to a terrific start and have been quite a success!

Thanks to all the families who have supported our efforts for October, November and December. We are hoping to continue to maximize profits by having our families help volunteer and donate baked goods for the dessert table each month. Room parents will be calling families to confirm those who can help. All baked goods can be left in the school office the day of the supper or brought with you when you come for dinner!
